Pre-War Prices

Prevail at Malever's

YOU have been hearing about great reductions in prices on Dry Goods and Ladies' Ready-to-Wear for the past month or more; in fact you are told that these reductions amount to anything from 20 to 35 per cent. We want you to take the time to compare our prices with any of them and you will find that we are actually selling at figures from 20 to 25 per cent lower than these so-called "reduced prices." For instance:

Dress Gingham
and Outings

at per Yard **34c**

We are in a position to save you money if you will only give us the opportunity.
